

# IT WILL ONLY HAPPEN 343 MORE TIMES THIS YEAR...

Certi-Bond members have proved to themselves that our lower EVERYDAY prices make the size of their shopping dollar quite a bit larger. Every one of the remaining 343 business days, Certi-Bond will be here with the same savings, not just week-end advertised loss leaders to lure customers into their store. Come see us today, or tomorrow, or the next day, or the day after that . . . we'll be here with a smile to greet you. We're now open seven days a week. Still going strong is our big January Clearance and White Goods Event. The following are just a few examples of items priced even below our already low, low everyday prices.
